Dear Carmen

Congratulations on successfully completing your MEDIC First Aid International PediatricPlus (CPR, AED and First Aid for Children, Infants and Adults) class. In an effort to be more environmentally friendly your MEDIC First Aid Approved Training Center has chosen to issue your certification card electronically.

The digital certification card below is identical to a printed version of the card and documents that a properly authorized MEDIC First Aid Instructor evaluated your knowledge and hands on skills in accordance with the program standard. You may duplicate this page as needed to provide proof of your training.

Go online to access your MEDIC First Aid Passport and take advantage of the additional training resources available to you:

- Digital download of Student Handbook
- LearningLinks™ Refresher Scenarios
- Mobile Application Downloads
- E-mail Renewal Notification
- Rate Your Program Survey

Register now at www.hsi.com/passport/. Use the registration code 7337 to register.

This card certifies the holder has demonstrated the required knowledge and skill objectives to a currently authorized MEDIC First Aid Instructor. Certification does not guarantee future performance, or imply licensure or credentialing. Course content covers all age groups and conforms to the 2010 AHA Guidelines for CPR and ECC, and other evidence-based treatment recommendations. Certification period may not exceed 24 months from class completion date. More frequent reinforcement of skills is recommended.
